respectively.)

T02-0060

VERIFIED PETITION FOR EXTENSION

Now comes Illinois Central Railroad Company ("IC") and petitions the Illinois
Commerce Commission (the "Commission") for an order giving the parties an extension to
comply with the mandates of the Commission in this docket. In support of its Petition, IC states
as follows:

1. IC is a rail carrier operating in Illinois and is a rail carrier within the meaning of
the Illinois Commercial Transportation Law.
2. The Illinois Department of Transportation ("IDOT") is an agency of the State of
Illinois and is subject to the jurisdiction of the Commission. The City of Bradley, Illinois, the
City of Kankakee, Illinois, and Kankakee Township, Illinois, are political subdivisions within the
State of Illinois and are subject to the jurisdiction of the Commission.
3. IC operates a line of railroad through Kankakee County; this line crosses at-grade
with 6 at-grade crossings listed on Exhibit A, attached and incorporated herein.

DOCKETED

4. Pursuant to an order in this Docket dated June 19, 2002 (which order incorporated a stipulated agreement), the Commission required the parties to perform the work set forth on Exhibit B, attached and incorporated herein.

5. The Commission gave the parties until June 19, 2003, to complete the work described in Paragraph 4.

6. IC has experienced difficulty in progressing due to inclement weather. In addition, IC's track department has track upgrade projects scheduled for Chestnut, Station, and Hickory Streets. To avoid having to do the signal work twice, IC would like to wait to complete the ordered work at those crossings until after the track upgrade projects are completed.

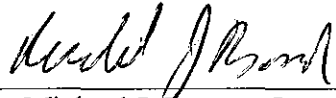

7. Therefore, IC is requesting an extension of time until September 30, 2003, for the parties to complete the work mandated by the Commission in ICC Docket T02-0060.

WHEREFORE, Illinois Central Railroad Company respectfully requests that the Commission:

- a) Give the parties until September 30, 2003, to complete work mandated in the order dated June 19, 2002 in this Docket; and
- b) Provide such other and further relief as the Commission deems just and appropriate.

Dated at Chicago, Illinois this 20th day of May, 2003.

ILLINOIS CENTRAL RAILROAD COMPANY
